From the New York Herald.

MYSTERIOUS.

A GENTLEMAN belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to recently, been bent nearly double, and for several years confined in his bed, has been restored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease!! We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give inquiries as to his address, and doubt not his humane feelings will excuse the liberty; so that one doubting, may know these facts; though he requests his name may not appear in print. Among other similar instances, Mr. Jas. G. Reynolds, 113 Christie st., has been restored, and will give personal assurances of the facts of his case. Both were rheumatism, and contracted colds and sinews. How has this been done?

Answer, By the Indian Vegetable Elixir internally, and Hove's Nerve and Bone Liniment externally.—N. Y. Herald, Jan. 26, 1841. Sold only by Comstock & Co., 71 Maiden Lane, Far side at the Drug Store of G. L. Thompson, Ottawa.

HEADACHE.

Judge Patterson. READ the following from Judge Patterson, for the thirty years the first Judge of the county in which he lives:

Middleton, N. J., March 12, 1841. Messrs. Comstock & Co. Gentlemen—You are at liberty to make such use of the following certificate as you deem will best serve the purposes for which it is intended. (Certificate of Judge Patterson.) I hereby certify that my daughter has been afflicted with sick headache for the space of about 20 years; the attacks occurring once in about two weeks, frequently lasting 24 hours, during which time the paroxysms have been so severe, as apparently soon to deprive her of life. And after having tried almost all other remedies in vain, I have been induced as a last resort to try Spohn's Headache Remedy as sold by you; and to the great disappointment and joy of herself and all her friends, she found very material relief from the first dose of the medicine. She has followed up the directions with the article, and in every case when an attack was threatened has found immediate relief, until she is permanently cured. The attacks are now very seldom, and disappear almost immediately after taking the quantity directed. A hope that others may be benefited by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant. JEHU PATTERSON. Judge of the Court of C. P. Sold only by Comstock & Co., 71 Maiden Lane, Far side at the Drug Store of G. L. Thompson, Ottawa. 2-7 ly.

BLANK SUBPENAS, kept constantly on hand and for sale at this office.

Consumption and Liver Complaint.

Dr. Taylor's Balsam of Liverwort.

HAS been used successfully for eight years in the cure of these diseases. Remember! the original and genuine is made only at 375 Bowery, N. Y., all others are spurious and unauthorised!

Consumption and Liver Complaint!

As a general remedy for these diseases, I am fully satisfied, from long experience, there is no medicine equal to Dr. Taylor's Balsam of Liverwort. Being purely vegetable, it can be used with the utmost safety by all persons in every condition. It cleanses the lungs by expectoration, relieves difficult breathing, and seems to heal the chest. There can be no question, but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice, and always with success.

A. F. ROGERS, M. D.

Consumption!—The following remarks were taken from the last number of the Medical Magazine:

"The surprising effect produced by Dr. Taylor's Balsam of Liverwort, in consumptive cases, can not fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is difficult to credit our senses when we see persons evidently consumptive, restored to health. Yet this is a fact of daily occurrence: how then can we question the virtue of the above medicine? In our next, we shall be more explicit; meantime we hope physicians will make trial of this medicine and report its effect to us."

NOTE.—The original and genuine Taylor's Balsam of Liverwort is made and sold at 375 Bowery.

TO FEMALES.—The number of females in delicate health in this city is truly surprising. Weakness, loss of appetite, liver complaints, and many other diseases prey upon them, making them pale and lean of flesh. All this can be remedied by the use of strengthening medicine, that will assist nature in all her movements, restore tone to the nerves and muscular organs. Of this kind is Dr. Taylor's Balsam of Liverwort, which being mild and purely vegetable, answers females admirably. If all will use it, we are confident an elastic step, good appetite, and ruddy cheeks will follow. Once more remember, the original and genuine is made at 375, Bowery.

SPITTING BLOOD.—This disease consists of a discharge of blood, often frothy, from the mouth, brought up with hawking and coughing, and is usually accompanied with difficulty of breathing, and some pain in the chest. Sometimes it is preceded by an oppression at the chest, a dry tickling cough and slight shooting pains. This disease is always more or less dangerous. The great danger is that these symptoms may terminate in consumption, and immediate remedies can alone save this end. But Dr. Taylor's Balsam of Liverwort is a sure remedy, and to show its unparalleled success certificates of cures from 421 citizens and many physicians will be published in a few days.

NERVOUS DISEASES & WEAKNESS.

Dr. Taylor's Balsam of Liverwort, made at 375, Bowery, is as usually an excellent remedy for these diseases. My wife has been more or less ill for ten years. She was extremely nervous, and at times so weak that she could not attend to her domestic duties. By the use of this medicine her strength is wholly restored, and she is as healthy as I can wish her to be. My address is at Dr. Taylor's office.

CURE OF CONSUMPTION.—Mrs. Marin.

A worthy member of my congregation, was taken ill some time since with a cold, pain in the lungs, and some difficulty of breathing, and in a few days thereafter she had a violent cough and pain in the sides, which no medicine would relieve. She continued in this way for a long time under the medical care of Dr. Bea, but finally became consumptive, and was evidently near the end of her earthly sufferings, when her brother persuaded her to try Dr. Taylor's Balsam of Liverwort. When she commenced this medicine it did not seem to agree with her for the first few days, but by lessening the dose, she found it answered admirably. It relieved her cough and her difficulty of breathing instantly, and we had the pleasure of witnessing her rapid recovery to health.

Observed! Buy only that which is made at the old office, 375 Bowery, N. Y.

HUMAN HAIR.

Cleanliness of the Head and Hair.

STRANGE it is that persons who attend strictly to personal cleanliness, and who would neglect the head—the hair—the most essential—the most exposed—and the most beautiful when properly cared for, of all the gifts of the Creator. Perfectly free may it be kept of dandruff or sebum by the use of the Balsam of Columbia. Ladies, who make your toilet without this article! I answer fearlessly, No, if you have once tried and experienced its purifying effect—its sweet perfume.

A hundred articles have been put forth on the credit of this—the only hair—the only really valuable article. A mass of testimony from all classes to these facts.

LOOK OUT!

Some Swindlers have counterfeited this article and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of Comstock & Co.; that name must always be on the wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy it; for it is impossible for any other to be true or genuine. Sold by Comstock & Co., New York, 71 Maiden Lane. For sale at the Drug Store of G. L. Thompson, Ottawa. 2-7 ly.

Certificates. This is to certify that I have used Lindsay's Liniment, in a case of excruciating pain caused by the fracture of two of my ribs. Having heard of this invaluable Liniment, I sent for a bottle, and after applying it, to my surprise and joy, it relieved me immediately, and in a few days restored me to health and vigor. As I know from experience, that this Liniment is a valuable article, I conceive it my duty to make it known to the afflicted.

THOMAS BROOKER. Sangamon County, August 19, 1840.

This is to certify that my son's hands were very much diseased with the tetter—so much so, that when he would shut his hands the blood would start through the cracks in the skin. All remedies having failed, I applied Lindsay's Liniment, which has produced a thorough cure.

THOMAS LINDALL. Sangamon County, Nov. 15, 1840.

This is to certify that I was afflicted with great pain in my back, and that I was almost immediately cured by the application of Lindsay's Liniment. To those afflicted in the same way, I would recommend this article to be superior to any I have tried.

E. PILCHER. Springfield, Nov. 1, 1840.

This is to certify that my son was distressingly afflicted in his knees, thighs and back, with a numbness or rheumatism. In vain I sought for relief until I applied Lindsay's Liniment, which by a few applications had the most happy effect. Seeing my son so quickly cured, Joseph Freeman, a man in my employ, suffering with rheumatism, applied some of the Liniment to his limbs, and he also was speedily cured.

ROBERT CAMPBELL. Lick Creek, Sangamon Co., Nov. 20, 1840.

This is to certify that I used Lindsay's Liniment on my son's foot which was badly cut, and from some cause threatened mortification; but hearing this Liniment highly spoken of, I obtained and used it with great success. The wound cured, and my son was able to return to his work.

Sangamon Co., Aug. 19, 1840. DAVID POTTS. This is to certify that one of my horses had the big head for about eighteen months. I applied Lindsay's Liniment according to directions, and the disease disappeared entirely. This article cannot be recommended too highly.
